

## **Da Vinci Science Center Campaign Manager**

The Da Vinci Science Center (DSC) seeks a Campaign Manager who will provide administrative leadership and support for a multi-million capital campaign. This is a new position created in anticipation of a capital campaign to support strategic investment in new programs and facilities.

*Anticipated* campaign priorities include raising funds for:

1. construction of a \$130M science center complex in Easton, PA;
2. investment in exhibit experiences at its current facility in Allentown, PA to serve children ages 7 and younger, and
3. launch of the STEAM TEAM, a center of excellence bringing together community partners to advance science, technology, engineering, arts, and math (STEAM) education to help meet the growing demand for a STEM-centric workforce in the greater Lehigh Valley region.
